AMADOR VALLEY HIGH SCHOOL is located in Pleasanton, California, a half hour's drive from Oakland. They have 17 interscholastic boys and girls teams and the Spirit Squad, all of which participate in our Athletic Boosters Club. This club is a group of dedicated parents whose principle purpose is to raise funds for these various teams and support students and coaches in their athletic endeavors. They registered 43 families and a couple of months later \$147.95 was deposited into their bank account. At the end of January, they had registered 300 members and that month they received \$732.32. Within one year they received \$6042.72 for the month. It works!

MAJOR MARKET & eSCRIP

Major Market, along with our partner eScrip, has a great program for the schools in our area. So easy! Just sign up and up to 4% of your credit card purchases are contributed to the organization you select.

In 2009 Major Markets eScrip donations were \$22,000!!!
