Sprinkle the chuck roast with a generous helping of salt and pepper on each side. Set aside. In a large skillet, over medium-high heat, add 1 TB extra virgin olive oil. Add the halved onions and saute just until brown and translucent, about 4-5 minutes. Add the chuck roast to the center of the hot skillet and brown on each side for 3-4 minutes. Remove the skillet from the heat. Add the onions and chuck roast to the crock-pot. Pour the broth over the top and the fresh rosemary. Cook on high for 4-5 hours, or on low for 8 hours.
