Stolpman Vineyards Family Wines

750 ml. Bottle

Over 20 years ago, our Founding Partner, Tom Stolpman, discovered what we believe to be one of the greatest viticultural sites on earth. Hidden in the hills of Santa Barbara's Coast, on a rare Limestone outcropping & unobstructed from the Pacific Ocean wind, this unique land is naturally suited to grow Syrah and Roussanne grapes. We are committed to preserving this natural environment for our vines through organic farming, dry farming, & sustainable employment. In the winery, we prefer native fermentation & minimal manipulation.
